Law Enforcement CPR Refresher Class

Stay prepared to save lives with the **American Heart Association CPR Refresher Class**. This focused training, led by a certified instructor, is tailored to the unique challenges officers face in emergency situations.

The class will reinforce critical skills, including chest compressions, rescue breathing, and the proper use of an automated external defibrillator (AED). Participants will practice techniques specific to adult, child, and infant emergencies, ensuring confidence in any situation.

This refresher is ideal for officers looking to meet recertification requirements or simply sharpen their life-saving skills. As first responders, your ability to act quickly can make the difference between life and death.
