Denny Stewart Training Center

3121 Dewitt Avenue

Mattoon, IL.

Submit enrollment to:

Registration form at

www.mtu13.com,

MTU 13 has teamed up with IDNR Hunters Education instructors to provide a class to law enforcement and their families. I thought this would be a good time to spend the day with your child, grandchild, niece or nephew or just some kid you are mentoring to show them where you go to training and get some good information before the next hunting season begins.

As always this class is required for first time hunters who were born after January 1st, 1980 in order to get a hunting license. If you were born before that date and wish to hunt out of state, you are going to have to get it anyway.

IDNR Age Policy-

It shall be the policy of the Illinois Department of Natural Resources that youth under ten (10) years of age must be accompanied to and during the safety education courses by an adult or guardian at least sixteen (16) year of age.

The mere attendance of this safety education training and taking the written test will not guarantee the passing of this course. Multiple criteria, such as mental and physical acuity, the ability to demonstrate and recognize safe procedures, attitude and the maturity level of each individual student will be a factor assessed by the instructors in the final certification process.

Students are required to complete a final written exam on their own abilities, without assistance from parents or guardians, unless other arrangements have been discussed and agreed upon with the class instructors.

Registration: Please print off and fill out the registration form that is attached to this flyer. Then send that back to MTU 13 via PDF Email or mail it to:

East Central Illinois Mobile Law Enforcement Training Team
Coles County Courthouse
651 Jackson Ave. Room 327
Charleston, IL. 61920

Further Instructions

- When you register for the class, they will need that registration form completed fro each person that is taking the class for the Hunter Education Certification. Both Adult and Children
- Attendance on both days of the class is required to be able to take the test and get a certification
- You must bring a sack lunch on Saturday
- Each student will need to bring a pen, paper and highlighter to class.

Note— This is marked for Law Enforcement. If you bring a family member, that is just fine. It doesn't have to be a child. Any family member or friend will do. I wanted to keep it closed to the law enforcement family though to keep walk-ins off the street and make sure we had room for us and our people.
